EXPERIENCE

Next Aussie Tech, New Baneshwor — Frontend Developer

Nov 2021 - Present

I have built 15+ responsive websites by using a range of technologies like HTML, CSS, SASS, JavaScript, jQuery, Bootstrap, React js, etc. I have also used Figma and Canva to build the web design.

Identified and implemented dynamic web solutions in accordance to company standards and best practices.

I have maintained web pages, and designs under the direction of the UX manager and development team.

I have created and maintained frontend code for 20+ e-commerce websites (redesign, seasonal updates, production work) in Cpanel.
